105 sq.m. | Bathrooms: 2 | Bedrooms: 2 | Rooms: 3

In Aldesago, a village located on Mount Brè, there is a residential complex created where the Montefiore hotel once stood: in a dominant and panoramic position, and served by the historic funicular that stops right next to it and allows you to reach the city directly.

The complex consists of three buildings surrounded by gardens and paths, a summer swimming pool and an adjoining fitness area.

The apartment is a well-finished three-room apartment, very bright, with a private garden that all the rooms overlook. The living room has a double exposure, and the master bedroom has an en-suite bathroom. Oak parquet flooring.

On the same floor there is a spacious cellar/laundry room. A double parking space is available in the condominium garage for 80,000 fr.
