

Villa for sale in Pura

CHF 1.390.000

Ref. 2997

188 sq.m. | Bathrooms: 3 | Bedrooms: 2 | Rooms: 3

In the heart of Malcantone, just 10 kilometers from Lugano, for those who wish to have all the comforts at hand without giving up a quiet environment surrounded by nature.

Four terraced villas (types with 2 or 3 bedrooms) are being built using green building with great attention to sustainability thanks to the use of natural materials, wooden structures and solar shading systems integrated into the windows. They boast innovative technologies for thermal control, as well as the use of an integrated basic home automation system. Great importance is also given to the outdoor spaces designed for their aesthetics, practicality and comfort, with particular attention to greenery and shading, creating harmony with the surrounding nature.

Layout of the rooms

ground floor: large living room with open kitchen, outdoor patio with bioclimatic pergolas, bathroom, laundry room
first floor: master bedroom with terrace, walk-in closet and en-suite bathroom; one/two other bedrooms with terrace;
second basement bathroom: two parking spaces, technical room, cellar, large terrace/solarium on the roof

The homes are delivered complete with excellent interior finishes, designer bathrooms and kitchens. The current phase of

construction still allows the customization of the spaces desired by the customer.
There is also the possibility of offering finishing implementation packages and customized design services.
